Mr. Donald Chamberlain

We, the Mariner staff of Marine City High School, dedicate the 1966 yearbook to Mr. Donald Chamberlain.

Mr. Chamberlain graduated from the University of Michigan and has taught for five years, all here. He now teaches Spanish I and II, world history, and English 9. He previously taught civics and sociology.

He lives with his wife Helen and his three children, Kay, Bob, and Don.

By dedicating this to Mr. Chamberlain, the Mariner staff and the student body of MCHS hope to express a bit of appreciation to Mr. Chamberlain for all he has done for us.

ACADEMICS

As the sea of knowledge drifts by the students come to realize the importance of their education. A well equipped teaching staff is needed to instruct the students in this day and age when the best minds are needed for the important jobs in the world today and the ones in the future.

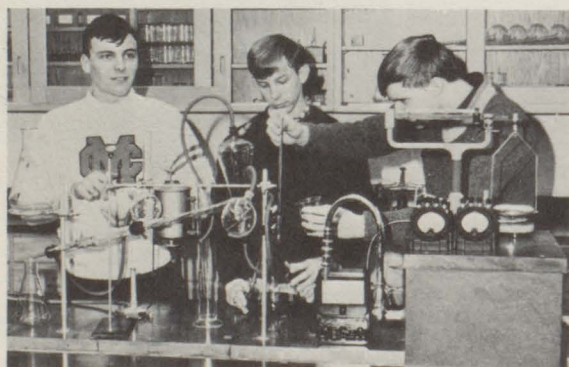

Science And

Mrs. Harris

M.C.H.S. offers a varied science program. In general science, taught by Mr. Teichow, the fundamentals of science are taught. This is open to all freshmen. Mr. Newcombe teaches biology, which is the science of living things. The students get their first chance to dissect things, such as starfish, frogs, etc. Chemistry and physics are taught by Mrs. Harris. Chemistry is the science of the composition of substances. The physics class deals with the study of natural science. The class made a trip to Cranbrooke this year to see the physics department there. The physics class works in the different fields of natural science, such as light, energy, sound, and motion.

Mathematics

Mr. Gunderson

Mathematics plays an important part in our world today. The curriculum of our school offers many varied choices in math. Math 9, which is taught by Mrs. Gunderson and Mrs. Harris, teaches the fundamentals of basic math. In Algebra I the students learn the basics of algebra, which uses not only numbers but also signs and letters. In Algebra II the more advanced techniques of algebra are taught. This is open to juniors, and they must have had Algebra I. This is also taught by Mr. Gunderson. In geometry, which is taught by Mr. Teichow, the fundamentals of plane and solid geometry are taught. This is open to all sophomores who had Algebra I. Advanced math deals with more advanced plane and solid geometry and also trigonometry.

Mr. Reed

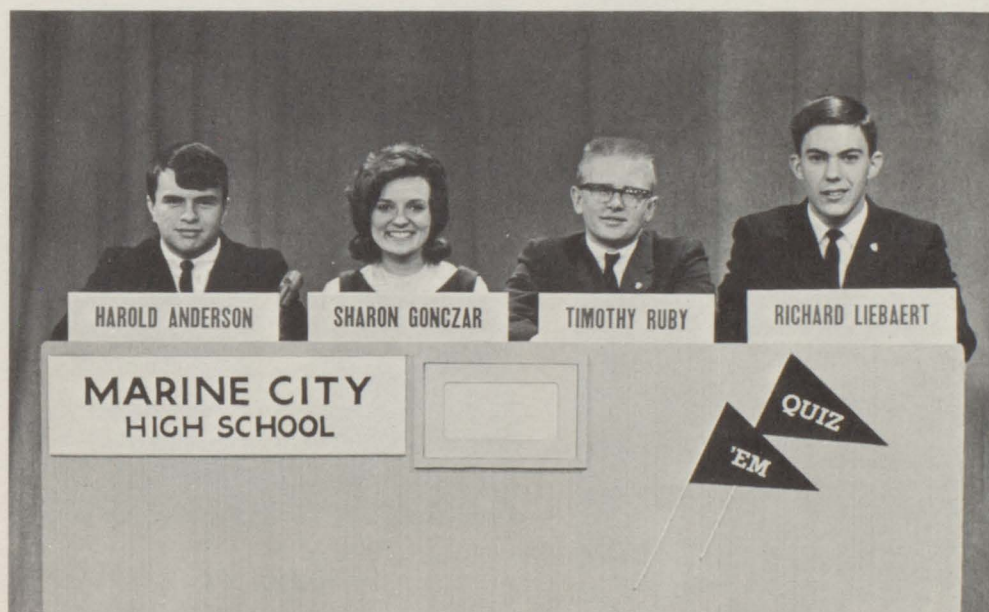

Our debate team is in the State League for the first time this year. It did very well with a 6-2 record. In the Blue Water League the record was 14-6. For its record in the State League, the team won a Detroit Free Press plaque. In the Blue Water League for second place, the team won a trophy. The Speech classes gave the Christmas and Thanksgiving assemblies. They are very active in class by doing various exercises in public speaking.

Social

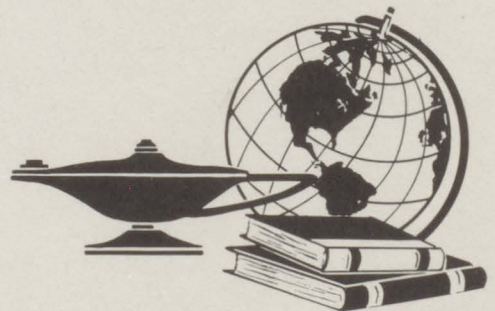

Studies

Social studies is the study of the people and countries over the whole world. Government and United States history are required for graduation. They are for Seniors and Juniors respectively. World history is taught by Mr. Chamberlain. Mr. Parsons teaches government which is required for all seniors. The seniors participate in Government Day in Port Huron and are planning a trip to the State capital. The U.S. history classes, which are taught by Miss Hall, study the U.S. from the times of Columbus to present time. The Juniors make maps for the bulletin board and do many other projects. World history is the study of man from the beginning of time. In their classes they make special reports. World history is open to all sophomores. The civics class is taught by Mr. Parsons. It is the study of the basics of government.

Commercial

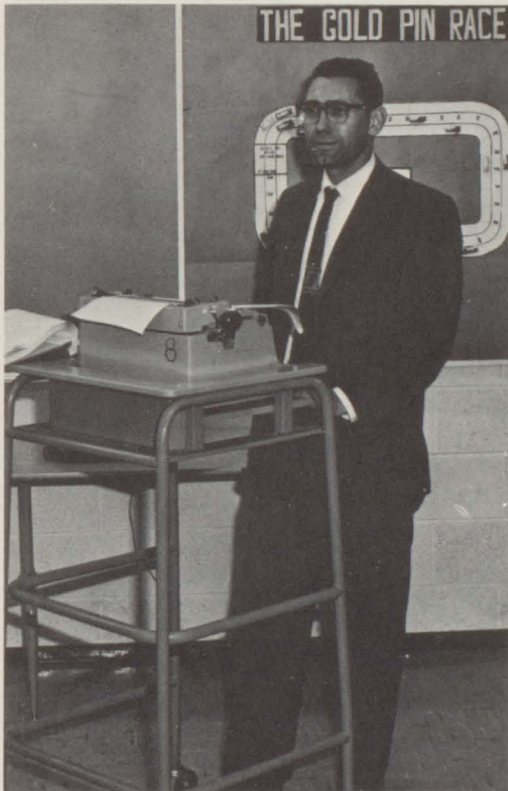

Miss Cawrse

The Commercial Department Staff consists of three teachers: Miss Cawrse, Mrs. Joachim and Mr. Horning. Miss Cawrse is teaching the students of M.C.H.S. bookkeeping and is advisor to the Log Staff. Mrs. Joachim is teaching Junior Business, Shorthand I, and Typing II. Mr. Horning is teaching Economics and Typing I.

Mrs. Joachim

Homemaking

Miss Radtke

MCHS offers a varied selection of home economics courses for the girls and the future homemakers of tomorrow. Miss Radtke teaches Home Economics II and III and sociology. Home Economics I, which is required for all freshmen girls, is taught by Miss Niemczak. She also instructs in civics and sociology. Each teacher makes home visits to see how the girls are coming on their home projects.

This year Miss Radtke has had two student teachers. Miss Kippenham was here the first semester, and Miss Loder came in the second semester. Both were from Michigan State University.

ACTIVITIES

Activities, or the whirlpool of the sea, are the extra things that make up the vital part of our school. To be well rounded you not only have to have a good knowledge of academics, but you have to be able to enjoy other activities. Clubs, games, dances, and all the others help make it an enjoyable week.

Student Council Activities

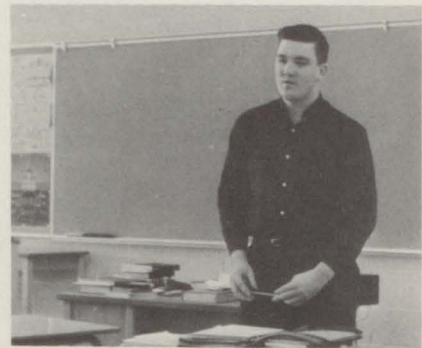

The Student Council this year has started many new projects. The most important one was the foreign exchange program. To raise money for this, a basketball game was put on between the male faculty, with the women cheering, and the Harlem Diplomats. The Student Council helped the March of Dimes with their bread and peanut sales. They also ushered at the basketball games and organized assemblies. The Student Council also put on the annual talent show made up of school talent. The Student Council meets about once every other week. The sponsors are Miss Kudron and Mr. Urquhart.

NANCY REIGNS AS QUEEN

Mr. T bids farewell to the Ishpeming.

Nancy Ladensack reigned as 1965 Homecoming Queen with Princesses Kathy Monaghan and Susan Rogers, Seniors; Diane Zynda and Kitty McGlynn, Juniors; Kris Lozon, Sophomore; and Pat Tucker, Freshman. The Queen and her Court were announced at the October 1 pep assembly. On Tuesday, October 12, the Coronation was held. The bonfire was held on Wednesday night. On the biggest night of all, the Homecoming game, with Cros-Lex, was held. We won 20-13. The dance—and the whole week—will hold many memories for the Queen and her Court.

OF MUSIC

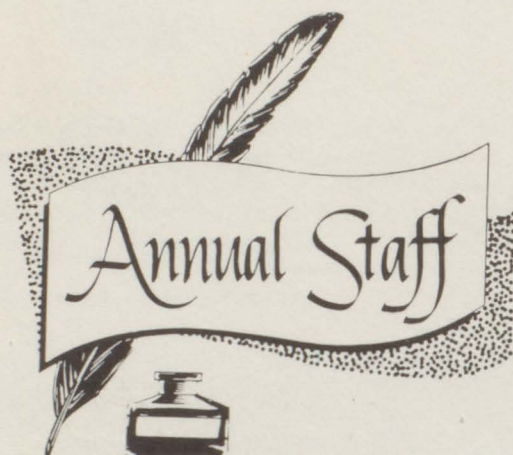

Mr. Miller keeps the Chorus busy practicing.

Our "Sounds of Music" are under the direction of Mr. Miller. The Band and the Chorus perform several times during the year. They work very hard rehearsing until the problems are worked out. Marine High's Marching Band added much enthusiasm during their halftime shows and inspired the crowd to cheer louder for our team. We would like to thank all these kids and Mr. Miller and let them know that their efforts are appreciated.

On March 17, 1965, the Seniors presented the annual Senior play. This year it was Meet A Body by Jane Hinton. The play took place in the living quarters of Margaret and John MacGregor. Everett T. George, famous inventor, knew he was going to be murdered and prepared to have his funeral at the MacGregor Funeral Parlor. Meanwhile, he planned to have his wife, Carla, his lawyer Craig, his secretary Norma and his daughter Ellen killed. How he did this to all except Ellen make up Meet a Body.

Cadet Teachers

Row 1: Debbie Mason, Mary Hillier, Lori Ticknor, Nancy Ladensack, and Linda Wray. Row 2: Mike LaBuhn, Gregg Horn, Tim Galvin, and Tim Ruby

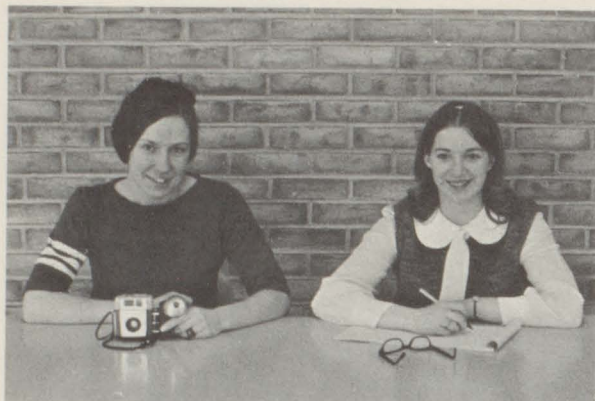

This year the Marine City High School had nine cadet teachers. These students are assigned to classes in the elementary and junior high schools. There they help the teachers with the students. For this course each cadet teacher receives one credit per year. He must spend one day in the library and three with his class.

Camera Club

Camera Club is one of the most active clubs in the school. It takes and prints pictures which are displayed in the show case outside the library. The members learn how to develop film and print pictures from the sponsor, Mr. Teichow. They usually meet as an A club and on Tuesday night. The officers are President, Sue Rogers; Vice President, Carol Strong; Secretary, Peg Williams; and Treasurer, Francis Loftus.

School Spirit

This year to arouse school spirit, a campaign was started by the Student Council. Points were given each class on the basis of percentage of students at the basketball and football games from that class, loudest and best cheering at a pep assembly, cleanest lockers, least percentage of G-hours, etc. A banner was given to the class at the end of the week for the most points. The SENIORS won the trophy at the end of the year for most total points.

Cheerleaders

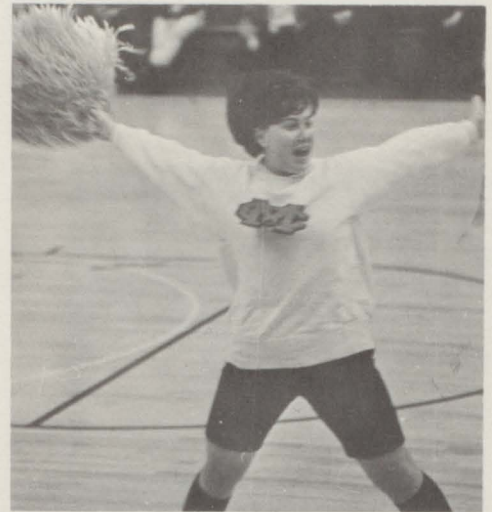

This year the varsity squad is quite small and is made up of all juniors. Sue Lozon is the captain of the varsity squad. The others are Billie Lee Burns, Joan Beebe, and Gail DeCou. We have also three boys who are cheerleaders with the varsity. They are Dwight Reichle, Chuck DeLude, and Joe Carrier.

The junior varsity squad is headed by Carol Hill. The rest of the squad is Kathy Patterson, Mary DuPuie, Diana Beaker, and Carol LaGrow. Miss Hall and Miss Lownsbury are the sponsors of both squads.

The 8-Ball Club is very important to our school. It is responsible for setting up microphones and taking care of the lighting during all our assemblies. It also plays recorded music for special events and before the varsity basketball games. Even though the members don't receive much recognition, they would be hard to replace. The club is sponsored by Mr. Reed.

The varsity team this year had a mediocre season. The year consisted of three wins, three losses, and one tie. Although we lost the "Little Brown Jug" to Algonac, we kept for the tenth straight year, the "Bell" from St. Clair. The most valuable players for the 1965 season were lineman Earl Downer, and backman Gregg Schilling. Bill Lardie led with the most tackles, and Woody Flemming gained the most yards.

This year the varsity basketball team did very well. Under Captain Warren Head, the Mariners captured third place in the St. Clair Area League. The record for the total season was 9-7. The varsity squad lost its tournament game to Marysville 70-69. Although the varsity was ahead at the half, they could not pull through in the final seconds. Dave Ingles led the squad in most rebounds and points. Next year's captain is Al Sharrow. Mr. Gene Gunderson is the new coach this year.

UNDERCLASSMEN

The incoming tide is the underclassmen. They come in full of life and ready for whatever may lie ahead. They learn not only in studies but in other aspects also, and when they are ready, like the Seniors, they will be turned out to sea.

STUDENT LIFE

The current of the sea is nearly the same day in and day out. If you were to follow the current, it would take you somewhere. Such is life at MCHS. Every day is just about the same, but each day we change our position in life according to the days activities.

Hungry already and it's only 8:00 A.M.

We begin the day.

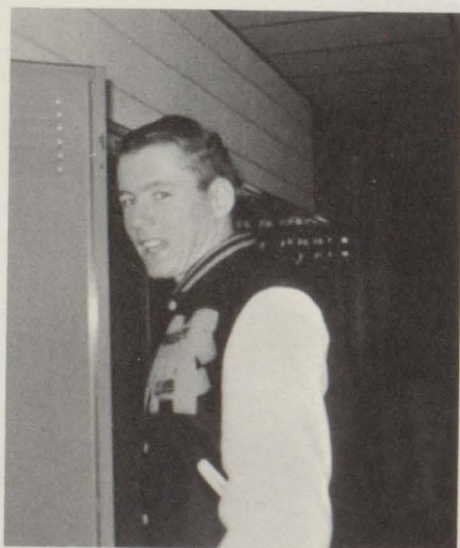

At 8:00 A.M. the first bell rings and the day begins at MCHS. Some of the students have been waiting for about fifteen minutes because of buses. Between 8:00 and 8:15, the students can do anything they want in the school, which is usually walking around or sitting in the cafeteria. At 8:15 the classes begin. There are three classes in the morning, each seventy minutes long. On Friday there is X-Hour. The morning classes end at 12:00 noon.

SENIORS slaving over Hamlet.

The day progresses.

As the noon bell rings, the students rush to lunch. They go uptown, go home, or eat here at the cafeteria. They may buy their lunch for 35¢ or bring it to school. They may also buy potato chips, Fritos, or ice cream. During this time they can relax and enjoy themselves by talking to their friends and listening to the radio turned on in the cafeteria. The student council has members roaming the cafeteria and the halls to see all is right. The lunch period ends at 12:38 P.M. and the afternoon classes begin.

The day doesn't end at 3:02

After the 3:02 P.M. bell rings, not everyone rushes home. There are many after school activities. The LOG and the MARINER both meet after school, and students can stay after to get help from their teachers. Of course, not all the buses are here when the school is let out, so many students just walk around the halls or sit in the cafeteria until their bus comes.

A slow one

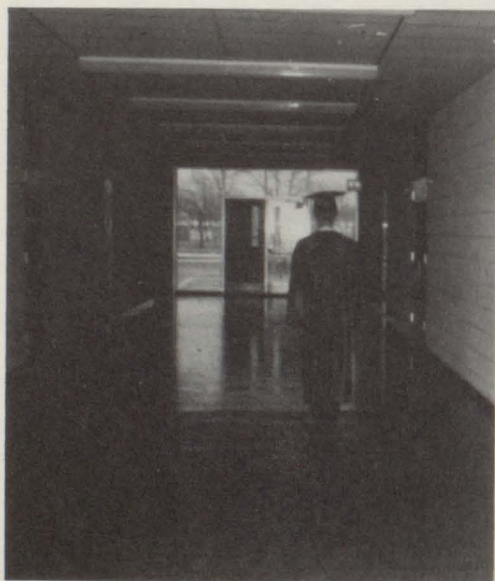

Watchers of the door

Marine City High, to thee we pledge devotion
 In highest honor ever hold thy name
 With Loyalty as endless as the water
 Which past us flow in sparkling majesty. . .

Give us thy Wisdom, Courage and Devotion
 As we reflect thy name both far and near
 Be with us always, Alma Mater dear.

As editor of the 1966 MARINER I would like to thank the staff for their help. Especially, I would like to thank Miss Bolton for all the help she has given. She has put up with late deadlines and spent many hours checking pages. I hope you all enjoy this book and treasure it as much as I, who worked on it.

ADVERTISERS

The rain supplies the sea with its waters and, like the sea, we get our supply from the advertisers. Without the help of the advertisers, this annual would not be possible. We would like to thank them for their support.
